

Hillel idea lab

FOR SOCIAL INNOVATION

BY CLEVELAND HILLEL

An opportunity to help you better your community by exploring your passions

IMAGINE YOURSELF
INVEST IN YOURSELF
BECOME YOURSELF

What is it?

Hillel Idea Lab is a semester-long experience for undergraduate students on campus to launch awesome initiatives that enhance campus life based on a personal passion or interest with Hillel's support. As an Innovator you will have access to leadership and career workshops, project and professional development, personal brand development, and more. You will be connected to a social network of like-minded students from diverse social, community, and religious backgrounds.

Hillel Idea Lab is a safe and equitable space and is open to students of all academic backgrounds and levels of experience.

What do you get?

- Access to mentors invested in your personal growth and the success of your project
- Resources to cultivate your passions
- Exclusive leadership development workshops
- Professional networking opportunities
- Regular meetings with your personal mentor
- A think-tank setting to present your ideas to your peers
- A project showcase at the culmination of the program.
- Access up to funding in order to make your idea a reality and launch your project
- Innovators with scalable projects will have the ability to apply to the Idea Lab for a second term.

What will you do?

You will be expected to commit an average of two hours per week to Hillel Idea Lab. This time includes individual project development time, workshops, and mentorship meetings.

Who are you & what do you bring to the table?

- Passionate
- Fun
- Creative
- Able to think outside the box
- Care deeply about an issue in our community
- Self-starter, interested in collaboration and wanting to grow as a person and as a leader
- You have a passion or idea- big or small, complete or incomplete- and will work hard to make it happen
- Willing to try new things
- Not afraid of taking risks because you see the value in learning from both successes and constructive failures

How do you apply?

If this sounds like you, apply to Hillel Idea Lab and invest in yourself.
